

GENERAL PROCUREMENT NOTICE

Inclusive Climate Change Adaptation for a Sustainable Africa (ICCASA) and Centre for Minority Rights Development (CEMIRIDE)

Strengthening the Voices of Women with Disability to Actively Participate in Climate Change Policy and Negotiations (STREVOW)

Project ID: G-Z1-C00-SUP-005

GENERAL PROCUREMENT NOTICE

1. **Inclusive Climate Change Adaptation for a Sustainable Africa (ICCASA) and Centre for Minority Rights Development (CEMIRIDE)** has received a grant of six hundred and thirty-five thousand, nine hundred and sixty United States Dollars (US\$635,960) from the Africa Climate Change Fund (ACCF), administered by the African Development Bank, to finance the **Strengthening the Voices of Women with Disability to Actively Participate in Climate Change Policy and Negotiations (STREVOW)**.

2. The principal objectives of this project are to: Increase realization of rights among women, men and youth as foundation for gender- transformative, low carbon and climate resilient development in Eastern Africa.

Specifically, the project seeks to:

- Enhance empowerment of Women with Disability (WWD) in Eastern Africa
- Improve inclusive climate change policies in Eastern Africa
- Increase influence of WWDs in Climate Change Actions in Eastern Africa

3. The project includes the following components:

- a. Training of WWD to engage in policy negotiations processes in Eastern Africa
- b. Supporting WWD to participate in policy negotiations in Eastern Africa
- c. Developing of WWD engagement frameworks for participation in policy making in Eastern Africa
- d. Developing alliances for WWDs to engage in policy negotiations in Eastern Africa
- e. Packaging and disseminating evidence materials for national, regional, and global policy advocacy in Eastern Africa
- f. Translation of UNFCCC decisions into accessible formats for WWD in Eastern Africa

4. . The procurement of all activities financed by the Bank under the Project will be carried out in accordance with the Procurement Framework for Bank Group-financed Operations, October 2015 edition and in accordance with the provisions set forth in the Financing Agreement. Bidding documents are expected to be available in May/June 2023. Procurements will consist of Goods, Consulting and Non-Consulting

5. Interested bidders may obtain further information, and should confirm their interest, by contacting:
